Membership Means Family

We love our Members! Why? Because it is our members who are the real drive and energy behind what we do here at Shandeelee. Without you we could not achieve what we have over the years. It is your support that enables us to provide our international young artists with this most unique artistic opportunity. And it is your presence with us at our concerts that enriches the cultural environment.

So, whether it is at our pristine setting in the Catskill Mountains or our intimate concert parlor in New York City, you can still be part of the family. You will enjoy world-class guest artists as they share breathtaking performances. And, you can be proud when you hear our international young artists . . . Proud that you have helped make it possible – you have shared in their success.

Please join us. Remember that your membership and benefits are in effect for one entire year from the date that you join.
